This average Price disclosure is an estimate based on our Fixed Energy Charge and current TDSP charges at the time of enrollment. Please visit nextvoltenergy.com, for more information on your TDSP charges. Rates above are rounded to the nearest 0.1¢/kWh and do not include any taxes or fees (including Gross receipt tax reimbursement). The NextVolt Fixed Energy Charge includes Market Securitization (Debt) Financing charges.

Please contact CenterPoint Energy, your TDSP, to determine if you are subject to any special charges for underground service or other similar charges. These special charges are not included in the total average price for electricity service shown above.

This is a paperless product. As further described in the Billing & Payment section of your terms of Service you will not receive invoices or other notices or correspondence in the mail unless required by law or at the discretion of NextVolt Energy and will only receive such communications via your email address on file.

Type of Product	Fixed Rate Product
Contract Term	24 Months
Do I have a termination fee or any fees associated with terminating service?	Yes. A \$149 early termination fee will apply if you terminate service prior to the expiration of the contract term. This fee will not apply if you move and provide a forwarding address and other evidence that may be requested to verify that you have moved.
Can my price change during the contract period?	Yes, but only for the reasons described below.
If the price can change, how will it change and by how much?	The average price applied in the first billing cycle may be different from the price in this EFL if there are changes in TDSP charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control. However, your NextVolt Energy Charge will remain the same for the contract term above.
What other fees may I be charged?	See Billing and Payment section and Additional Charges & Fees section of the Terms of Service Agreement for the list of non-recurring fees.
Is this a pre-pay or pay in advance product?	No
Does NextVolt Energy purchase excess distributed renewable generation?	No
Renewable Content	This product is 6% renewable
Statewide average for Renewable Content	The statewide average for renewable content is 35.2%.
